PUBLIC

ful consideration from the govern

. Mr. Tinkler issued this morning a lengthy statement in weich he criticises the Ford bid from beginning to end. Incorporated in this statement marmed. ferring to this company's offer is

follows: "The Construction company of North America offers to construc the Wilson dam and power houses secured by this project. The redemption of these bonds would r imburge the government for the t 'tal amount invested, and after it was so reirabursed this company von operate the plans under the dition and control of a board consising of five members, two selected by this company, two by the gove

ment and the fifth be chosen by t four so selected as aforesaid. W this board would rest final decision as to the feasibility of completing dam No 3, and of operating one both of the nitrate plants. As the its full investment it would be i zer at cost, It would not require

This plan makes it was ble for the government to help the farmer. This eft side, not so deep, but sufficeint future. pian places in the ab clute undisp ed control of the government the eration of the power plant and of t nitrate plants, and returns to the government its entire investment within the period of 25 years at the end of fifty years the comple ed project free and clear of an claim on the part of the construction company."

Florence, Ala., Jan. 2 .- C. Tinkler and F. C. Eltcheock, prodent and vice-president, respective ly, of the Construction Company North America, said to be one of the largest contracting organizations the world, are this morning inspect for the government on a partnershi basis, the details of which have no

yet been made public. Speaking for his associates, Mr Hitchcock declined this morning to add anything to the statement give out by Secretary of War Weeks as to the nature of the proposition submit ted by his company proposed to pu up part of the money necessary- t complete the project if they were the successful bidders.

Denies Report

Mr. Tinkler denied absoutely the report which appeared in yesterday news dispatches that his company had become interested in making bid for the shoals properties at the suggestion of Secretary of Com-

BRANTLEY SAW MILL HAS BIG BLAZE WITH HEAVY LOSS

Brantley, Ala., Dec. 31 .- Fire broke out in one of the dry kilns at M. M. rentley's saw and planing mills Thursday night and destroyed several loads of lumber, two dry kilns, and did quite a bit of damage to the walls of the planing mill and
